MEMORANDUM FOR:

CIA/DDO

FROM:

USN

Acting Director, Policy Guidance Office

SUBJECT:

Input to the DCI Annual Report

25X1

1. Preparation of the DCI's Annual Report for calendar year 1978, due to the President and the Congress by 25 January 1979, is now under way. The DCI has approved a concept for this year's Annual Report which is more selective than last year's, both because this seems more appropriate to a 1978 characterized by attention to key intelligence issues rather than the comprehensive report approach used for 1977 as a year of extensive community restructuring, and also to limit length for a busy reader to a manageable 30-40 pages (last year's ran 80 plus). The DCI has also approved an outline for this year's report (Attachment 1). Part I is designed to allow the DCI to highlight the particular characteristics and emphases of 1978 in intelligence; Part II is intended to air several issues of great importance to him, his key Executive users, and the Congress. The Annual Report will carry a high classification and receive extremely limited distribution.
